

## Let's Go

We are going to learn about sustainable design and create a learning tree to show what we have learnt

## A Sustainable Future

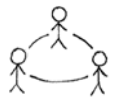

Think about our houses, how we travel, and our school.  
What will a sustainable future look like?

## Let's take a closer look

What is sustainability?

What does eco-friendly mean?

What can we do in our school to create a sustainable future?

Each group should come up with 5 words and statements, which we can all share in our **Learning Tree**.

Let's add sustainability word leaves to our Learning Tree
