The Waste We Create

Let's Go

Over the course of a week how much waste do you think we create as a class?

White paper

Cardboard

Cans

Plastic

Glass

Organic waste (food waste, grass clippings)

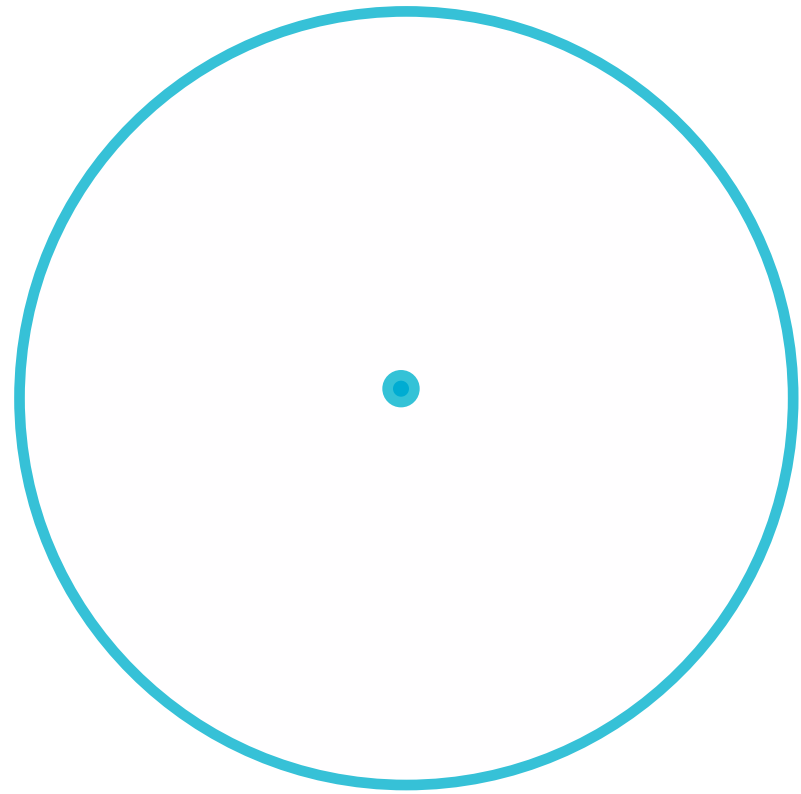

Discuss ways you can reduce the waste you create

The waste we create

Let's fill in the pie chart with the different types of waste we create

What have we learnt about architecture?

Let's fill in our learning brick

a word

an image

an idea

a feeling
